

Affordable Conference Calls™

Practical, Affordable Web Conferencing

Easy-to-use and quick to implement, Affordable Conference Calls (ACC) Web Conferencing is designed for everyday use by people of all skill levels. Widely deployed by Service Providers, Equipment Vendors and Enterprises, Our web conferencing works as a standalone service or can be combined with our Audio service to create a more comprehensive communication solution.

- ✓ **HIGH VALUE, LOW-COST** – ACC Web Conferencing delivers the features you want – presentation/document sharing, application sharing, polling and chat. There are no cumbersome downloads and advanced planning is not required. The web conferencing service is accessible anytime, anywhere from any computer with an Internet connection.
- ✓ **DIFFERENT PLANS FOR DIFFERENT NEEDS** – ACC provides several meeting plans, including Per Minute Usage and Unlimited Meeting Rooms. You can choose the plan(s) that represent the best price/value combination for your needs.
- ✓ **STRETCH YOUR SALES AND MARKETING RESOURCES FURTHER** – ACC Web Conferencing provides you with a cost-effective selling solution for delivering top quality marketing webinars and product demos with nothing to download. Our flexible web and voice conferencing solutions enable you to reach more prospects, accelerate the sales cycles and close more business faster. Affordable Conference Calls provides your sales team with a powerful, practical and affordable way to use web conferencing to meet with prospects, deliver interactive presentations, demo new products, share applications, and more ...all from your desktop.
